CELEBRATING SUMMER...

Finally, summer is upon us, the farmers are in the fields (albeit late), and gardens are planted and growing. It has been a challenging spring to be sure! So, now is the time to get your outdoor projects organized and underway. Perhaps you are staining the deck, landscaping the yard, or contemplating a new roof. The good news is that when you improve your home, you make living in our central Iowa communities better for us all.

Upcoming there will be town festivals, especially Alden Days, family vacations, barbecues, ravid, July 4th, and a host of events throughout Iowa to make a day or week of. And then there is the pool! Make plans to recreate in your own unique fashion, and reconnect with family and friends. Tomorrow is not guaranteed, so get busy living life with those you love!

On a more pertinent note, I have noticed that much is being done to cleanup the town of Alden. City wide cleanup days were a big success as over 100 people donated to the landfill. Can you imagine what this town would look like in a few years if this FREE service were not provided by the city? A big thank you goes out to our council and city workers who organize and help at this annual event. AND, if you cleaned up a bit, thank you too! We are all better for it!

Swim Lesson Registration

Swim Lesson Information:

Each session consists of 10 classes divided into 2 weeks for the weekly sessions (Monday-Friday). The cancellation of swim lessons due to weather will be made 15 minutes prior to the lesson. We encourage you to call the pool or to check our facebook page for information on a questionable day.

Please arrive at the pool no more than 10 minutes prior to the lesson and ready to swim. The first lesson and last lesson are testing days. The guards will verbally tell the child what level they need to be in. At the end of season we will mail out the performance sheet indicating what level the child is at.

The Friends of the Alden Public Library are thrilled to announce that the “Dolly Parton’s Imagination Library” is now available in Alden & Buckeye!

What Is Dolly Parton’s Imagination Library?

Dolly Parton's Imagination Library is...FREE!

It sounds almost too simple to be true, but by reading regularly with your children during their preschool years, you are giving them the biggest boost toward a successful education they will ever get.

Dolly Parton's Imagination Library will help you read with your child. There are many reasons parents do not read to their child, but we can eliminate one of them. Every child will have books of their very own, at no cost to you, thanks to Friends of the Alden Public Library and Dolly Parton.

Each month a new, carefully selected book will be mailed in your child's name directly to your home. He/she can look forward to new and exciting reading adventures from Dolly Parton's Imagination Library until he/she turns five years old as long as you remain a resident of Alden or Buckeye, IA. Should the child move outside Alden or Buckeye, IA, he/she automatically exits the program.

Dolly Parton's Imagination Library is a FREE GIFT to our children! All you have to do is read to your children.

Who Is Eligible?

Preschool children (birth until their fifth birthday) of Alden & Buckeye, IA.

What Are My Responsibilities?

1. Be a resident of Alden or Buckeye, IA.
2. Submit an official registration form, completely filled out by parent or guardian (form must be approved and on file with Friends of the Alden Public Library).
3. Notify Friends of the Alden Public Library any time your address changes. Books are mailed to the address listed on the official registration form. If the child's address changes, you must contact your friends at the address on this brochure in order to continue receiving books.
4. Read with your child.

When Will I Receive Books?

Eight to ten weeks after your registration form has been received, books will begin arriving at your home and will continue until your child turns five or you move out of Alden or Buckeye, IA.

How Can I Help?

Do you know a preschool child in Alden or Buckeye, IA who is not receiving Dolly Parton's Imagination Library? Give your parents a brochure/registration form and encourage them to fill it out and mail it to the address below. Telling them about this FREE program can make a huge difference in their future and the future of our community.

If you know of a business, organization or individual who would like to donate funds to support this gift to your children, donations can be sent to:

Dear Friends and Neighbors...

Growing up in the Smoky Mountains was a real blessing. There were some tough times, but most of our life was full of the kind of riches money can never buy. One of my most precious memories is sitting in my mother's lap and listening to her read me stories from the Bible. It felt so warm and cozy. My imagination soared to places far beyond our little cabin.

Those wonderful moments with my mother inspired me to create my Imagination Library. Thanks to Friends of the Alden Public Library, all of the preschoolers in your community can now have their own Imagination Library. Just think, a book mailed to your child each month until their 5th birthday. I hope these books inspire you to read to your child. There is nothing quite like the sparkle in a child’s eye when animals come alive and clowns dance on the page.

I hope you’ll encourage your children to keep dreaming and to dream big. If my Imagination Library helps turn the dreams of a child into the promise of a bright future, then one of my biggest dreams will come true.

And remember... I will always love you,

J. D. S

Partner with us to promote Local Literacy

The “Friends of the Alden Public Library” and the Dr. Grace O. Doane Alden Public Library are promoting the “Library Literacy Initiative” to the Alden/Buckeye community. This initiative includes providing children monthly copies of their very own books for ages birth-6th grades. Currently, this is provided to grades K-6th at the Alden Elementary School. Our goal is to expand the program to include other literacy programs to the Alden Community.

Sponsorship amounts:
- $30 will sponsor one child for one year
- $75 will sponsor one classroom for one month
- $150 will sponsor five children for one school year (9 books)
- $335 will sponsor one classroom for 1/2 year
- $550 will sponsor one month for the entire school
- $675 will sponsor one classroom for one year
- $1,000 will sponsor one classroom for one year plus an additional classroom for 1/2 year
- $5,000 support the program for one year

Thomas announces retirement from Hilltop Village Management

Betty Thomas, the long time manager of Hilltop Village announced that she will be retiring effective August 1, 2019. Betty took the reins when her husband and business partner Dave passed several years ago. She has done an outstanding job maintaining the financial and physical condition of the complex and her leadership and personal involvement with the residents of Hilltop will be missed. Betty plans to remain an active community member and will stay on with the food pantry. On behalf of the board of directors, the residents, and the site manager, we wish you a long and happy retirement!

The Alden Food Pantry Board welcomes a new volunteer from Popejoy. She is Susan Essing and is working on Friday nights. We want to thank all of our people and business and churches that to us. We are very greatful for the help.

Service to your community can be as simple; participate in events, attend activities and meetings, and apply your talents where needed.

“It is the combined efforts of many people, mostly unseen, which makes all things possible.” — Aristotle

HORIZONS - The Alden Horizons Group meets on the 3rd Tuesday of each month at 5:30 pm at the UCC Church. We welcome any and all members of the community to join us. We are a group of local citizens that have done many community projects with the goal of helping those in poverty while improving our community. Attend a meeting to find your niche!
A HUGE THANK YOU goes out to everyone who helped in any way with the Alden Days Fundraiser. It was a huge success raising over $9,000! We want to thank the many businesses and individuals who donated items or cash -- we couldn’t do this without them!! Special thanks to Travis Schutt for being our auctioneer and to Janell Schutt for taking care of the kitchen and preparing the wonderful meal. Donating food for the meal were the Westside Restaurant, Barilla, and providing Wilkie, Marsha Roland, Tracy McKinley, Kielsmeier, Samantha Hansen, Jan Vierkandt, Cheryl Lascheid, and Jan Hurd. We want to thank all the members of the Alden Horizons Group who organize this very fun evening.
NOTICE TO RESIDENTS

The City of Alden has adopted new Planning and Zoning Standards Ordinances. There is a County Officer that will enforce the standardized Nuisance Abatement Rules.

These new standards will be strictly enforced and action will be taking once a notice has been served and the time frame to abate has not been met.

Alden School News

What a great school year! Thank you to everyone in the community who supported the school. We appreciate those who came in to speak about their careers, got our students excited for the week as a Monday Motivator, attended our concerts and events, provided monetary support, or volunteered in another way. It takes a village to raise our kids and we appreciate the partnership.

We continue to have The Alden Wish List. We have been very fortunate to have many generous donations that have helped fund projects that have benefited our students. Classrooms have added flexible seating, board games to help with math and reading skills, technology, and the opportunity to publish their own books. There are current projects posted at https://sites.google.com/a/ifacadets.net/alden-wish-list/home if you are interested in donating, or you may contact the school. Thank you for your support of our students!

We have many events going on at school and want to share them with you. One way to stay informed is to “Like” the Alden Elementary School page on Facebook. This is a new page, so we hope you will find us. We also have students who are posting things that are happening at our school on Twitter.

You can follow @AldenElementary, #Aldenpride, or #IFACadetPride.

**Northern Iowa Research Farm to Hold Field Day — June 20th**

Educational tours will include a look at weeds, herbicides, cover crops and soybean gall midge.

**KANAWHA, Iowa** – Daniel J. Robison, holder of the Endowed Dean’s Chair in the College of Agriculture and Life Sciences at Iowa State University, will welcome farmers and agribusinesses to the Northern Research and Demonstration Farm field day June 20.

Robison began his role as dean in January and will speak to field day participants following opening remarks by Matt Schnabel, Northern Research and Demonstration Farm superintendent, at 9:30 a.m. Registration begins at 9 a.m. Throughout the day, Iowa State University Extension and Outreach experts will discuss weeds, herbicides, cover crops and soybean gall midge.

The field day will be held at the farm’s north location. The event address is 310 S. Main St. Kanawha, immediately south of town.

The field day is free and open to the public. Lunch will be served at noon and the day concludes at 1 p.m. Learn more on the Northern Research and Demonstration Farm webpage or by contacting Paul Kassel at 712-262-2264, or kassel@iastate.edu.

**ISU Field Day to Highlight Ag Weather Forecast and Commercial Hemp Production**

The ISU Northeast Research and Demonstration Farm Spring Field Day will be held Wednesday, June 26, 1:00 to 4:10 PM, at the Borlaug Learning Center near Nashua. Dennis Todey, Director of the Midwest Climate Hub, will provide his insights on crop weather for the 2019 growing season. Angie Rieck-Hinz, Extension agronomist, follows with a discussion of the likelihood of hemp production in Iowa for 2020, including development of regulations, current production practices and economic information from other states. The wagon tour will feature Stephan Gailans, Research and Field Crops Director with Practical Farmers of Iowa, sharing his expertise on oat production and seeding cover crops in V6 corn. Ed Zaworski, ISU field crops plant pathologist, will discuss plant disease issues in a wet spring and considerations for foliar fungicide applications later in the season.

The field day is free and open to the public. CCA credits will be available (2 CM, 1 PM, 0.5 SW). For more information, contact Terry Basol, ISU Extension Field Agronomist, at ph. 641-426-6801 or email tbasol@iastate.edu.
